# Candy home laundry and dishwashers

*big capacity · top performance · top features · top style*

## washing machines and washer dryers

*unbeatable performance · faster spin speeds · exceptional value*

**Our new range of autowashers and washer dryers is our best ever** and maintains the exacting standards we demand for giving you the best...with bigger capacity, higher performance levels, faster spin speeds at even better value and outstanding features; and with the new electronic top of the range 6kg Tempo Logic autowasher, you will see how we combine the best of features without compromising on making it effortlessly easy to use.

### Big 6kg Wash Load Capacity: for loads less washing

All autowashers & washer dryers feature an extra large 6kg (13lbs) load capacity. This means you can wash a lot more with Candy so saving you time, effort and money.

### Top Performance

All Candy autowashers are rated at a minimum "Double AA" for unbeatable Wash Performance and Energy Efficiency.

We have also significantly up-rated our range so that you can achieve the ultimate 'Triple AAA' performance standard at even better value for money with our Nova 1400rpm and 1600rpm models. And our top-of-the-range Tempo Logic offers all of this as well as easy to use 2-way electronic dials, and a very useful Wash Progress Display panel.

Candy washer dryers not only feature the extra large 6kg wash load size, and unbeatable 'A' Wash Performance, but also feature a bigger 3kg drying capacity to save you time, and with extra fast spin speeds, this helps to reduce drying times further.

Candy is a long-established brand, with an enviable reputation for delivering outstanding features at exceptional value for money. But it doesn't stop there...just take a look at any Candy appliance and you will see we cut no corners in ensuring that you get superb quality and durability. Whether it be the sturdiness of door hinges on our washers and washer dryers, the solidity of the fascia panels on all our appliances or the exceptional interior quality of our dishwashers, just take a close look and you'll see how good Candy really is.

## full size dishwashers

### New Futura

### Futura: stylish design, sophisticated electronic push-button control

The new Futura from Candy combines simplicity with the ultimate 'Triple AAA' Performance: simple 'Touch & Go' selection means you only need to press a button to select the programme you want. A wide programme selection from Hygiene 75°C to Eco 45°C to Half Load offers great versatility with any load, and a Rapid 32 minute cycle offers extra speed for less dirty items.

And with a high quality stainless steel interior, safety baskets and a counter balanced door, Candy guarantees superb quality and attention to detail.

### Nova

### Nova: high performance, high specification

Nova offers an unbeatable "Double AA" standard for Wash Performance and Energy Efficiency as well as a full range of 7 programmes and 5 wash temperatures, including a 32 minute Rapid Wash. Half Load offers extra economy, and with its advanced electronic controls, this provides effortless 2-way use of the programme selector dial.

Nova is available in classic white and stylish all silver finish.

Also available in silver

## tumble dryers

*big capacity · vented and condensing · easy-load door · reverse action*

Our exciting new range of dryers is perfect for any drying requirement; the top of the range condenser model means you don't need an external vent hose, so you can locate the dryer almost anywhere you like, saving you time and trouble. Our vented model gives you excellent value with a free vent hose, saving you the extra cost.

Both models offer superb Reverse Action, meaning reduced drying times with less creasing. They also feature the large Candy easy-load door so that even if you have the ultimate 6kg drying load you can make light work of the loading and unloading.

*easy to use...*

Big Door and Porthole, makes loading and unloading much easier

**6 KG**
